

Spring 2010

April-May-June

## Look what you did!

Thanks, Parrotheads, for your generous contributions to the Haiti earthquake relief effort. Susan Kaye, a nurse at Christiana Hospital and member of the [Delaware Medical Relief Team](#) (DMRT), came to pick up the care kits from our club.

She was overwhelmed and VERY grateful. Overall, we had about 60 kits and we were able to make a \$100 contribution to the DMRT.

### WAY TO GO PARROTHEADS!

## The Calypso Nuts

For years, people have begged for entertainment- not just music, but entertainment. Since 1998, The Calypso Nuts have done just that. Audiences from Key West to Put-In Bay, and all along the Caribbean itineraries, have been delighted by the duo with the island twist.

"Sure it's steel drums," says Robbie Meade, "but we look at them a little differently. We take the drums where we want them to go instead of allowing the drums to force our musical hand."

Sponsored by Corona Extra, Corona Light, and Kokomo Island Traders, The CalypsoNuts are more than just a steel drum act. The "Entertainment Without a Net" approach guarantees that each show is custom tailored to fit the event. With no shows identical, The CalypsoNuts have the freedom and flexibility to switch gears in the middle of the show and take the audience in a new direction and to a completely different mood.

The nightly menu consists of Pop and Rock, Reggae and Soca, Acoustic and Electric; all different, but all the perfect ingredients to a great bowl of musical gumbo.

At 11 years so far, The Calypso Nuts are the longest running act at "The Meeting of the Minds", the week-long National Parrot Head Convention held every November in Key West, Florida.

The Calypso Nuts Cd "Six More Weeks" and rare live shows receive regular air play on Radio Margaritaville and several other internet and satellite radio stations. Numerous local and regional "Best of" awards further confirm The Calypso Nuts' ability to take you to the sunshine of the islands no matter what the weather is like outside. Fondly known as The 'Nuts by friends and return clients, these two entertainers have a way of making the whole crowd feel special and connected to the event.

### **PUDDING SHOTS**

#### General Ingredients

1 (3 1/2 ounce) package instant chocolate pudding mix  
3/4 cup milk  
1/4 cup vodka  
1/2 cup irish cream  
8 ounces extra creamy Cool Whip

Add pudding to milk, stir. Add booze, stir. Last, whip in whip cream. Once you are done, scoop into a lrg ziplock baggie, cut out the corner and squeeze into container. Best if kept in freezer or cooler on the road.

Now, the above is the general recipe. But this is how we make them fun:

#### **Strawberry Cheesecake Pudding Shots**

1 pkg of instant Cheesecake pudding  
3/4 c milk  
1/4 c Strawberry Pucker  
1/2 c Tequila Rose  
8 oz Extra creamy whip cream

#### **Cookies & Cream Pudding Shots**

1 pkg of Oreo pudding  
3/4 c milk  
1/4 c Vanilla vodka  
1/2 c Creme de Coco  
8 oz Extra creamy whip cream

#### **Vanilla or Chocolate Mint Pudding Shots**

1 pkg of vanilla (or chocolate) pudding  
3/4 milk  
1/4c Vanilla vodka  
1/2 Creme de Mint  
8 oz Extra creamy whip cream (I added chopped up mints)

#### **Key Lime Pudding Shots**

1 cup milk  
1/2 cup lime flavored Vodka  
1/16 cup Frangelico  
dash of lime juice
